INTERIOR

Designed for Comfort

Experience premium comfort with second-row ventilated captain's seats featuring 8 massage modes, recline and an adjustable leg rest, all conveniently controlled via a touchscreen with memory settings. Large windows, multi-zone climate control and refined chrome accents ensure every journey feels effortless.

Seamless Digital Cockpit

The Maxus MIFA 9 welcomes you with a 10.25" digital driver cluster, placing key vehicle information clearly within the driver's line of sight. Dual 12.3" touchscreen infotainment displays create a refined digital cockpit where navigation, entertainment, comfort settings and driver assistance controls are intuitively within reach.

With wireless Apple CarPlay™ and Android Auto, the MIFA 9 keeps you seamlessly connected on every journey.

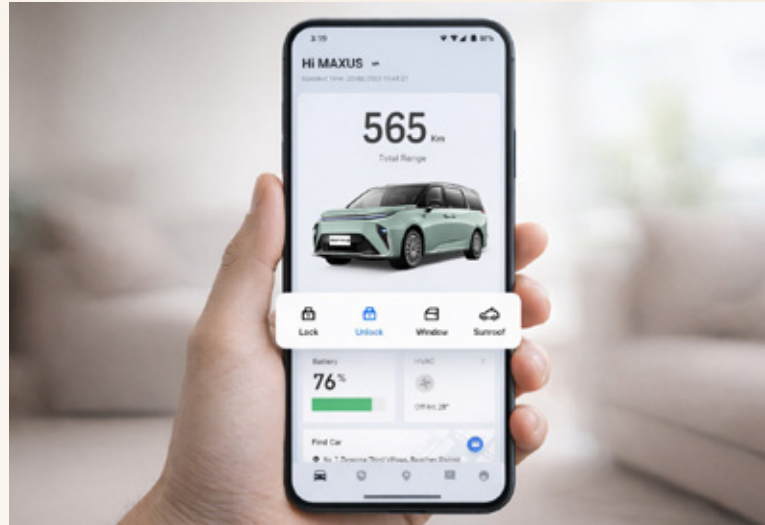

Premium Sound & Ambient Lighting

Elevate every journey with a refined cabin atmosphere. A JBL 12-speaker sound system delivers rich, immersive audio throughout the cabin, while 64-colour ambient lighting creates a personalised mood for every drive. Overhead, the panoramic sunroof fills the interior with natural light, enhancing the sense of space and comfort for all on board.

TECHNOLOGY

Hi MAXUS App Connectivity

Stay connected to your vehicle with Hi MAXUS App Connectivity, offering convenient remote access to key vehicle functions anytime, anywhere. Easily check vehicle status, lock or unlock the doors, adjust climate settings, monitor battery levels and locate nearby EV charging stations.

Intelligent Voice Control

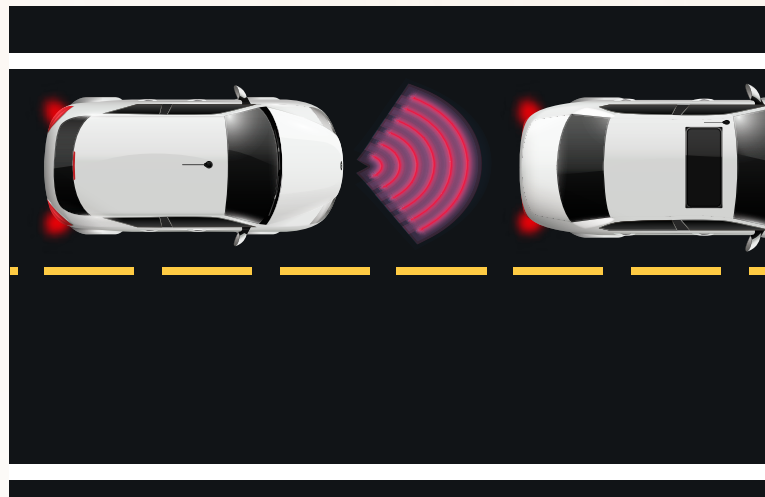

Control your journey effortlessly with just your voice. From climate settings to navigation and window controls, the intelligent voice assistant responds naturally — keeping your focus on the road while the cabin adjusts around you.

Advanced Driver Assistance

The MIFA 9 brings together a comprehensive suite of intelligent driver assistance technologies designed to enhance awareness and support safer journeys.

From a 360° panoramic camera that provides a full bird's-eye view to systems such as Autonomous Emergency Braking, Adaptive Cruise Control, Blind Spot Assist, Lane Keep Assist and Rear Cross Traffic Alert, the MIFA 9 helps you stay confidently in control in everyday driving situations.

Selectable Normal, Sport and Eco driving modes allow the vehicle to adapt effortlessly to city commutes or long expressway drives.

EXTERIOR

Making Room for More

Designed with versatility in mind, the MIFA 9 features configurable rear seating and an electric tailgate that makes loading luggage or shopping effortless. The flexible seating layout adapts easily to larger or irregularly shaped items, while the generous boot space accommodates up to four suitcases even with all seats in place.

Striking Front Fascia

A distinctive full-width LED light bar links the headlamps, creating a bold and futuristic lighting signature. Carefully sculpted details give the front fascia a refined and modern character.

19" Multi-Spoke Alloy Wheels

The intricately crafted 19-inch multi-spoke alloy wheels add a striking finishing touch to the MIFA 9, combining elegant design with confident road performance.
