

The new Kia Niro Hybrid

Movement that inspires

The new Kia Niro Hybrid. The all-in advantage.

Designed with the intelligence of full connectivity, the confidence of proven Kia hybrid technology and the efficiency to go further, the new Kia Niro Hybrid is built to give you more in every drive.

A bold new crossover SUV.

A quiet yet powerful presence. Sleek surfaces and bold Star-map signature lighting define the Niro's modern character, while dynamic rear graphics and futuristic 16-inch wheels command a confident SUV stance.

A refined, minimalist aesthetic combined with bold volumes and a commanding front bumper and grille creates a confident presence that is unmistakably Kia.

LED Headlamp
Wide LED daytime running lights with star-map signature design deliver a clean, premium look that leaves a lasting impression.

Tailgate and Rear Bumper
A wide tailgate design and smooth rear bumper create a stronger, more refined rear presence.

LED Rear Combination Lights
Enhanced with three-dimensional design and futuristic signature design, emphasizing a refined and sophisticated character.

Designed with every passenger in mind.

The newly designed seats feature slim contours and refined stitching details, delivering a modern look while enhancing comfort.

Premium Relaxation Front Seats

Relaxation comfort seats for the driver and front passenger enhance comfort and reduce fatigue by supporting an optimal posture for restful breaks.

The liberating power of simplicity.

Step inside the new Kia Niro Hybrid and discover calm composure in a spacious, refined environment. Displays and controls are thoughtfully concentrated along a slim, horizontal dashboard, maximizing your field of vision and creating an intuitively clean design.

Panoramic Integrated Display

The integrated 12.3" curved display combines the digital cluster and infotainment touchscreen for a seamless, high-tech experience.

Ambient Mood Lighting

The slim, clean horizontal lighting expands the sense of openness in the cabin, creating a comfortable and relaxed interior atmosphere.

Rear Seat Multi-Angle Reclining

The reclining rear seats allow for various backrest angles, ensuring a more comfortable seating position, especially during road trips.

The first hybrid with full connectivity.

Advanced connectivity keeps you in control and in sync with your lifestyle. Enjoy seamless access to information, convenience, and comfort at every touchpoint.

Over-the-Air (OTA) Updates

Keep your Kia up to date with wireless software and navigation updates. Enjoy the latest performance enhancements and improved functionality all without visiting a service centre.

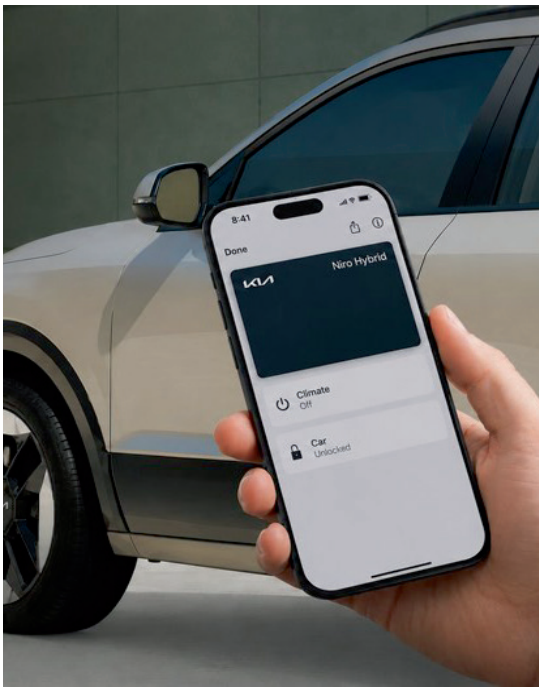

Integrated Memory System (IMS)

Saves key driver preferences, including seat and exterior mirror positions.

Remote Climate Control

Start every drive in comfort with your ideal cabin climate ready before you enter.

Digital Key 2.0

Driver can lock/unlock doors and start the vehicle using your mobile phone.

HEV Stay Mode

Relax in comfort while parked with climate control, entertainment and in-cabin power.

Front Passenger Seat Walk-in Switch

Enjoy easy 2nd-row entry and front passenger seat position adjustment.

Smart Power Tailgate

Drivers can program a desired stopping height for the tailgate with their smart key. Stand behind the parked Kia Niro Hybrid, with Open selected, and the tailgate will open automatically.

Safety engineered for every journey.

Kia's suite of Advanced Driver Assistance Systems (ADAS) continuously monitors your surroundings, providing intelligent alerts and assistance when needed.

Designed to enhance safety, confidence and control, it helps protect both occupants and pedestrians on every journey.

Blind-Spot Collision-Avoidance Assist (BCA)

Warns you if there is a risk of collision with a rear side vehicle in the blind spot while changing lanes and automatically assists with emergency braking.

Lane Following Assist 2 (LFA 2)

Incorporates a Hands-On Detection sensor for automatic steering assistance, helping keep the vehicle centred in its lane.

Surround View Monitor (SVM)

Provides a clear view of the vehicle's surroundings, enhancing visibility and assisting with safer, more confident parking.

Forward Collision-Avoidance Assist 2 (FCA 2)

Monitors the surroundings and automatically assists braking when the risk of collision increases with a vehicle, motorcyclist, pedestrian, or cyclist ahead.

Choose your style.

Curate your ideal combination of colours and textures to give your Kia Niro Hybrid a truly distinctive character of its own.

Cycle & Carriage Aftersales Service keeps your car in its prime.

We care for you the same way we care for our family. Experience the Cycle & Carriage Kia Service spirit as we welcome you at our Kia Authorised Service Centres.

With more than a century in the automotive industry, we can assure you that you will enjoy the most comprehensive customer support and exceptional service experience by well-trained professionals, using state-of-the-art technologies, diagnostic tools and genuine parts to keep your Kia vehicle running in peak condition. All Kia genuine parts come with 2 years or 40,000km (whichever comes first) warranty.

This is our commitment to you.

Industry-leading warranty.

We are confident of the quality and durability of every Kia vehicle, having undergone stringent pre-delivery processes and checks before being delivered in pristine condition. We are so confident that your new Kia car will enjoy a 5-year unlimited mileage warranty and a 10-year engine warranty.

From the date of registration, your new Kia car is covered against defects in materials and workmanship for a period of 5 years of factory unlimited mileage.

On top of that, your Kia car will come with a 10-year engine warranty, subject to a maximum mileage of 200,000km or 10 years, whichever is earlier. This engine warranty from Cycle & Carriage will take effect immediately after the expiry of the manufacturer's.
